

World Apostolate of Fatima

England & Wales

Rosary Pledge Campaign Certificate

Our Lady at Fatima asked that we pray the Rosary daily.

You can greatly help the work of the World Apostolate of Fatima England and Wales by praying the Rosary daily, with a petition to Our Lady that more people will accept her message given at Fatima.

By signing this pledge, I/we commit myself/ourselves to pray five decades of the Rosary every day:

- 1) for the general intentions of WAF England and Wales, to spread Our Lady's message in this country as part of the New Evangelisation, and to enlist more people to help with this work;*
- 2) for the conversion of our country to the true Faith.*

(If you already say the Rosary, this doesn't mean you can't include other intentions, just that you make a general intention to include the above particular intentions in all your future rosaries.)
